Evaluation of applications

ARTICLE 9 – (1) Evaluation and acceptance of foreign students who apply are carried out within the periods determined in the academic calendar by an Evaluation Committee formed by the Senate. The university is free to fill or not announced quotas. Meeting the application conditions does not guarantee acceptance for placement. The exams valid for the application and minimum scores to be obtained from these exams are stated in the attached list. Applications of candidates who score below the minimum score determined in these exams and who do not meet other application requirements will not be evaluated. Evaluations are made within the framework of quotas, taking into account the exam scores of candidates, the overall grade point averages in the transcripts, letters of reference and intent, and the main and substitute candidates whose admission is deemed appropriate are determined. As a result of evaluation, other preferences of the candidate who is placed in one of her/his preferences as principal or substitute are not taken into consideration. Evaluation of applications made to OSTİM Technical University's programs that accept students with a special aptitude exam is made according to the criteria of the said special aptitude exam. The proposal prepared by the Evaluation Committee becomes final with the approval of the University Senate. An official acceptance letter is sent to the accepted students by the International Relations Coordinator so that they can get an "Education Annotated Visa".

Proficiency in Turkish language of the students placed in the programs conducted in Turkish language and English level of those placed in the programs conducted in English are determined according to the result of the language proficiency exam organized by the University or the results of a language test with national or international validity (TOEFL, IELTS, FCE, TOEIC, TÖMER, etc.). . Students who fail in language proficiency exam are taken to the Preparatory Class for one year. Students who are successful at the end of this period start the first year of programs they are registered. Those who fail are given an additional year. At the end of this period, the unsuccessful ones are unrolled from the University.

Fees

ARTICLE 11 – (1) Fees are determined each year by the Board of Trustees upon recommendation of the Board of Directors of the University. A student who does not pay tuition fee is not registered, or his /her registration is not renewed or frozen.
