

YALOVA UNIVERSITY

SUMMARY OF FOREIGN STUDENT ADMISSION DIRECTIVE

PLEASE CONTACT FOR DETAILED INFORMATION

Application

Article 6- (1) The explanations regarding the applications are announced on the internet address of our university <http://www.yalova.edu.tr> every year in June. Applications are made to the Registrar's Office between the dates announced in July. Students who are registered in our university without Turkish proficiency are required to take the Turkish Proficiency Exam in our university, or get a Turkish Proficiency Certificate from Turkish Teaching Centers in our country or their branches abroad. The score obtained from the Turkish test is not taken into account in the placement.

(2) During application, one of the exam results specified in ANNEX -1 must be submitted.

(3) Among the exams used in the evaluation of student applications and approved by the Council of Higher Education during the admission of foreign students to our university; the validity periods of exams in the status of high school graduation exams (Abitur, International Baccalaureate, GCE, Tawjihi etc.) are unlimited; however, the validity period of the exams (SAT, etc.) with the status of university entrance exam is limited to two years.

(4) Foreign student admission quotas are determined by the decisions of relevant unit board so as not to exceed 35% of the quotas of the programs included in the previous year's ÖSYS Higher Education Programs and Quotas Guide.

Evaluation of Applications

Article 7- (1) Evaluation of the applications and placement of the candidates are solely done by the University. The university is free to fill or not the announced quotas. Meeting the application conditions is not sufficient for placement. Candidates who score below the score determined by relevant Faculty, School and Vocational School in any of the valid exams for application and those who do not meet the other application requirements cannot be placed. International Examinations Conversion Chart is used in the conversion of the scores. Evaluation is made on the basis of University, in order of score and preference. Principal candidates are determined in order of preference, starting with the candidate with the highest score. Substitute candidates are determined in order of score and preference, provided that their number does not exceed the quotas determined for the department.

(2) As a result of evaluation, the other preferences of the candidate who is placed in one of his/her preferences as a primary or substitute are not taken into consideration.

(3) For students who do not have Turkish proficiency, the Turkish test is conducted by our University's Turkish proficiency department, Turkish Teaching Centers in our country or their branches abroad. As a result of the Turkish test, students who get between the scores (80-100) are at Level (A), between the scores (60-79) are at Level (B), and between the scores (0-59) are at Level (C).

Level A: Proficient in Turkish language. Student can start education.

Level B: Student can improve her/his Turkish proficiency in the short time. S/he can start education.

Level C: Her/his Turkish is not enough. After studying Turkish for one (1) year in the Turkish preparatory class opened by the Turkish Teaching Centers in our country or by the branches abroad and getting sufficient scores in the exams conducted at the end of year, s/he can start her/his education. Such

students are obliged to improve their Turkish language level to the determined level, which should be at least Level B.

(4) Candidates who have the right to register must have sufficient Turkish language proficiency in order to register. Those whom Turkish language level is insufficient, on the other hand, are obliged to improve this level to a sufficient level within one (1) year. Students who cannot improve their Turkish language level (which is at least Level B) within one (1) year will lose their right to enroll.

(5) Among the candidates who are placed in departments where language of education is a foreign language, those whom Turkish level will be sufficient in a short time (Level B) or whom Turkish is insufficient (Level C) can start their education after registration.

Language of Education

Article 8- (1) The language of education at our university is Turkish, English and Arabic.
